

# CT7-5/7/9

Our 20 years of experience  
in MRO activities results in A/C  
OEM endorsement as a proof  
of our outstanding knowledge.

**ITP and its clients have common goals;** one of them is the optimization of maintenance works. For that, **ITP has developed the most up-to-date repair technologies** and has **the best engineering team** for workscope definition and fleet optimization.

# CT7-5/7/9
